Greek fires toll hits 74

THE death toll from forest fires that raged through seaside resorts near the Greek capital has increased to 74.

The fire service says a further 164 adults and 23 children are still being treated in hospitals for injuries after two fires broke out near Athens.

They were fanned by gale-force winds that hampered firefighting efforts and sent hundreds fleeing to beaches.

Bungling French cops spray cyclists with CS gas in clash with farmers

THE Tour de France came to a standstill after riders were hit by tear gas when police were forced to clear away protesting French farmers.

All the race's riders were forced to wait as cops cleared away the striking farmers on a narrow country road on stage 16.

Competitors including Great Britain's Chris Froome and Geraint Thomas were hit by the gas and forced to rinse their eyes.

The farmers had parked their tractors by the side of the route and rolled hay bales into the road to stop the race, which was 18 miles into the 135-mile route.

many farmers fear they will go out of business.

Protests from farmers are a regular occurrence during the Tour de France. In 1974, farmers in Brittany blocked roads and hung pigs from lampposts to show opposition to the race.

But Tuesday's events, along with the response, have taken the usual outcry from locals to a whole new level.

It continued in an incident-filled edition of the Tour. In the past fortnight, Froome has been cuffed by one fan and spat at by another.

Sky chief Sir Dave Brailsford added: "It's like a French cultural thing really, isn't it? That's it. I'm not sure that they have liked their football players spat at in Russia [at the World Cup]."

The stage was won by French cyclist Julian Alaphilippe.

Gemma: Now I've cracked America!

**(WHAT DID YOU DO,
LOVE? SIT ON IT?)**

TOWIE babe Gemma Collins reckons she is going to make it big in America after starring an advert for a Netflix TV show.

Now the reality star is convinced she is on the verge of superstardom and will be a huge success in Hollywood.

The advert – which features Gemma, 37, as a new prisoner in the jail-based American comedy drama *Orange Is The New Black* – has been released online to lure British viewers.

But after flying to New York to film the ad pals say Gemma is convinced she is set to break America as an actress.

Honour

She tweeted: "I just couldn't believe it when I got the call to do this ... what an honour it was to be flown to NYC and to film with @netflix and the *OITNB* cast it really was a pivotal turning point in my career and life."

And a friend added:

By BECCA STUBBS
becca@sundaysport.co.uk

"Gemma is thrilled with the reaction she has been getting and feels this is the start of her breaking America."

"To think that she is helping promote one of Netflix's biggest shows is insane – her dream is coming true."

"Now that she's on the radar of Netflix, she's been in discussions about doing a fly-on-the-wall reality TV series."

"All their British content goes down great with U.S. audiences and they feel Gemma has natural star quality."

ALEX OFF TO CHICAGO

ALEXANDRA Burke is to join the cast of West End show *Chicago*.

The former *X Factor* winner and *Strictly Come Dancing* star (right) will play Roxie Hart in the production at London's Phoenix Theatre from August 13 to October 14.

She will appear alongside Martin Kemp, Mazz Murray and Josefina Gabrielle.

The 29-year-old singer's previous theatre credits include the London version and UK tour of *The Bodyguard*, the UK tour of *Sister Act* and the revival of *Chess* at the London Coliseum.

Mel B: Sex with Cowell makes me feel sick!

FORMER Spice Girl Mel B GAGGED at the thought of SHAGGING Simon Cowell during Tuesday's *Loose Women*.

The 43-year-old guest panellist (*above*) confessed that the idea of having sex with the music mogul made her feel SICK.

Janet Street-Porter, 71, quizzed Mel on whether she had a friendship with Simon like Sinitta's and wondered if there was ever a sexual element to their relationship.

Looking disgusted at the comment, Mel replied: "No, no, never. Yuck."

"Well, he's like a father figure to me, like a brother, I would never. What's Sinitta done, hold on?"

Janet then explained the rumours about Simon, 58, and 54-year-old Sinitta's sordid love affair.

Mel replied: "Oh I would never do anything like that with Simon – maybe he wants to but it's never gonna happen."

"Why're you making me have a visual? Oh stop! He's a friend. Ugh."

New device 'locks up' cars of drink-drivers

POLICE are to offer drink-drivers new devices which will breath-test them before their car starts in a first for the UK.

Durham Police will pilot the scheme to fit alcohol "interlocks" – which mean the vehicle will be immobilised if the driver is over the limit.

The devices are already commonplace in the US and Denmark, and are being offered to offenders on a voluntary basis.

They will also be offered free of charge to anyone in the force area who wants one as part of a bid by police to cut the number of road accidents.

It's hoped the system will force regular offenders to address their drinking.

Detective Inspector Andy Crowe said: "By identifying those liable to drink and drive, hopefully we can prevent them from making that potentially fatal mistake."

EX-ARSENAL STAR CLEARED OF GROPING PENSIONER ON BUS

By COLIN HURST
news@sundaysport.co.uk

A FORMER Arsenal and Northern Ireland footballer has been cleared of groping a pensioner on a bus.

Sammy Nelson was accused of grabbing the woman between the legs on October 28 last year after a boozy afternoon watching football.

The 69-year-old was cleared of one count of sexual assault for the alleged incident on the packed park-and-ride bus from Brighton City Centre.

Nelson, who now lives in Hove, asked the woman, who is in her 70s, whether she and her friends were on their way "back to the nursing home".

He then joked that the man he was with, his son Peter, was his carer and started chatting to the group about his career as a football player.

Force

The complainant told Brighton Magistrates' Court she had been returning from a Beethoven concert at the Dome when Nelson touched her.

She said Nelson was "extremely smartly dressed – he had a trench coat on and really shiny shoes".

She claims the ex-Arsenal left-back groped her after they had been making small talk for a few minutes.

"All of a sudden this hand came down between my legs with some force around my pubic and vaginal area," she said.

"I was absolutely shocked and really angry and I said 'If you do that again I will give you such a slap'.

"About 10 minutes later he

did exactly the same thing again. I asked him to move away from me as he was invading my personal space."

The court was shown a clip of the bus ride, during which Nelson apparently picks up the woman's hand and either kisses it or presses it to his face.

He then apparently nudges her with his elbow.

The complainant denied only reporting the incident to the police after googling Nelson and his former career.

He denied ever groping the complainant.

At a previous hearing, Nelson admitted one count of assault by beating relating to pressing the complainant's hand to his mouth.

He was given an absolute discharge by magistrates.

Hubby seeks 'sex with Trump' porn star split

THE husband of porn star Stormy Daniels – who claims she once had sex with US President Donald Trump – has filed for divorce.

Glendon Crain is accusing Daniels of marital infidelity in court papers lodged in Texas. He was also granted a temporary restraining order to prevent his estranged wife, whose real name is Stephanie Clifford, from taking their seven-year-old daughter on her nationwide bus tour of strip clubs.

Daniels came to international attention by claiming she had a sexual encounter with Trump in 2006 – a decade before he was

elected president – and was then paid to hush it up.

The restraining order bars Daniels, 39, from any contact with the child or access to the family's home and cars in the Dallas suburb of Forney.

She also is banned from transferring or "encumbering" any assets of either party's accounts.

Rock musician Crain's petition cites irreconcilable differences and adultery as grounds for divorce, without giving details.

It seeks full custody of the couple's daughter, as well as child support, possession of the house and a "disproportionate share" of the couple's assets.

TV Kate gets hot and bothered by 'racist' puppet

KATE Garraway asked a guest to put away a puppet that was likened to a Black and White Minstrel as she felt "uncomfortable" having it on the *Good Morning Britain* news desk.

Children's entertainer Brian Llewellyn appeared on the programme to defend traditional Punch and Judy puppet shows, which have been criticised for promoting violence, and to discuss whether they should be adapted for modern society.

In the midst of the heated discussion, Garraway became increasingly bothered by one of Mr Llewellyn's puppets.

Holding up the puppet – with dark face, white eyes and lips – Mr Llewellyn said: "This has been the character since 1662."

But Garraway (*above*) said it was "offensive to many people".

She said that it was of its time, "which we now feel is racist and many people all the way through".

Idris gives up on role of 007

ACTOR Idris Elba has long been hot favourite to become the next James Bond – but it seems he's given up on his dream of playing the iconic spy.

Idris, 45, hinted he thinks people only want him to play the role of 007 purely because of his skin colour, not because of his skills as an actor.

He said: "[They] just want to have a black guy play James Bond rather than Idris Elba, the actor, play James Bond. Ugh, come on."

romp

LOVE Island beauty Olivia Attwood was ARRESTED for SHAGGING on the BEACH while on holiday.

Olivia, 27, made the X-rated confession when she appeared on comedian Iain Sterling's ITV2 show *CelebAbility* on Wednesday night.

The former *Love Island* contestant was so mortified over her sandy sex antics, she covered her face with her hands when her beach romp was exposed.

CelebAbility sees famous folk pitted against members of the public in a series of games and Olivia's team had to guess which statements were about her.

When the statement read 'Who was arrested in Portugal for having sex on a beach?' Olivia turned bright red with embarrassment.

Fellow guests guessed the kinky confession belonged to Olivia and didn't hesitate with their answer.

Despite admitting it was her who was arrested, it is unclear who she enjoyed the risky romp with as she kept her lips sealed.

Shagging in public is

illegal in most countries, including in England and Olivia's holiday destination of Portugal.

Gorgeous Olivia, who is currently loved-up with Blackburn Rovers footballer Bradley Dack, 24, rose to fame when she romped on television with her then-boyfriend Chris Hughes on *Love Island*.

She was seen getting frisky between the sheets with her ex Chris, 25, in the *Love Island* luxury villa during last year's show.

Stigma

However, outspoken Olivia defended her saucy decision to have sex on television with her summer soulmate Chris in the villa.

A few weeks ago she wrote in her magazine column: "I never really thought about having sex on television since the show and to be honest it hasn't followed me in any way."

"No one in my family has mentioned anything about it to me."

"But I do think that I am a different personality. I do a lot of regrettable things on a daily basis!"

"There is still a stigma surrounding having sex on TV, it's 2018! Having sex is quite normal."

"We're taking part in reality TV shows about our real lives and we're living somewhere for eight weeks at a time."

Cheryl set to lift lid about Liam break

DESPITE Cheryl staying silent about her private life, it's reported she's ready to lift the lid on her relationship with toyboy Liam Payne. Cheryl (above), 35, and Liam, 24, split earlier this month after a series of rows, including a spate of arguments over Liam's habit of spilling details of their life together.

Now Cheryl is said to be keen to turn the tables and give the One Direction star a taste of his own medicine.

She is gearing up to release her new album and the songs are her most honest to date.

A source said: "Although the lyrics are about a painful split, it was written before she separated from Liam."

"But it's obviously something she can relate to from past relationships. There are a lot more deeply personal songs on the album."

Rumours are flying that one track, *Let You*, will be a real insight into how Cheryl felt in the run-up to her split with Liam.

REALITY A-lister Kylie Jenner has BEATEN her older sister Kim Kardashian to the top of the Instagram Rich List.

Hopper HQ has crowned Kylie, 20, the ultimate social media money-maker in the world.

The world's only fully-automated Instagram scheduling tool has released the 2018 Instagram Rich List, which is based on internal and public data.

Their inaugural list was released last year and has become a barometer for Instagram influence as it is based on how much each user can charge for a single Instagram post.

Brunette babe Kylie, who has amassed a fortune thanks to her make-up companies, charges businesses \$1 MILLION to post about their products.

Just last week Forbes magazine announced the stunner would be the youngest-ever billionaire as she's predicted to hit the mammoth sum by the age of 21.

Heights

And her astonishing 110million Instagram followers have certainly played a part in helping her hit the dizzy heights of wealth.

Last year Kylie was placed fourth in the Instagram rich list and was estimated to charge \$400,000 per post on average.

However, this year Kylie has been placed first and Kim, 37, fourth, with Selena Gomez, 26, who topped last year's list, down to second place.

Mike Bandar, co-founder of HopperHQ.com said: "I'm not at all surprised that Kylie Jenner has topped this year's list. As far as social media marketing goes, she has it down to a tee."

Kylie was introduced to the public through her family's reality TV show, but she has forged her own billion-dollar career and harnessed the power of Instagram to build a global, loyal, engaged following that brands are willing to pay top dollar for!"

A WOMAN claims flight attendants made jokes after she told them a male passenger was WANKING next to her.

Genevieve Pascola, 26, said in an Instagram post that she was travelling on a United Airlines flight from Heathrow to Chicago at the time.

After she reported the man's actions to the flight attendants, she and another female passenger were given new seats.

But Pascola, a photographer, says the staff then began joking, implying he was masturbating because of her.

She wrote: "They then started making jokes about the situation asking 'What perfume are you wearing?' and excusing him, saying, 'He's had a bit of wine'.

She also claims the male passenger was allowed to finish, even with a child sitting closely by".

She says she sent a complaint to United Airlines but didn't get a reply until six weeks later.

UA spokeswoman Maddie King called the incident "inappropriate and offensive" but said that cases like these are "extremely rare".

SIMON 'BET ENGLAND WOULD LAST LONGER THAN LIAM & CHERYL'

Piers claim

By BECCA STUBBS becca@sundaysport.co.uk

TELLY presenter Piers Morgan revealed Simon Cowell had a BET on Cheryl and Liam Payne SPLITTING UP before England were out of the World Cup.

The outspoken *Good Morning Britain* host revealed the wager in his magazine column.

Liam, 24, and Cheryl, 35, announced their split on social media earlier this month, two years after getting together.

But music mogul Simon, 58, was so confident about the pair parting ways that he had a bet on their romance fizzling out before England's football team were knocked out of the World Cup in Russia.

Cheeky

Piers, 53, wrote about his visit to Simon's summer bash and said: "Our host, naturally, was full of warm, kind empathy for Cheryl's new single status.

"I had a bet on you splitting up from Liam before England were knocked out of the World Cup," he told her. "It's coming home!"

"You cheeky bastard", retorted Cheryl, slapping him on the shoulder.

Piers also revealed how he teased Cheryl about going for an older man after dating the One Direction star, saying "You've tried the toy-boy route – must be time for the sexier older man, surely?"

"Where's he then?" she cackled, before cuddling up with me for the photographs."

KINKY Kitty Lea confessed to loving a bit of LESBIAN action and reckons everyone should try having a THREESOME.

The 30DD lovely, from Lincoln, says she's always snogged women and loves groping their boobs – something she thinks every woman should try at least once.

Kitty, 27, also says a ménage-a-trois should be on your to-do list. She said: "I've always kissed women and it's not something that bothers me."

"I like to see a beautiful woman. I love looking at girls' boobies, it's one of my new hobbies! And I like to see what girls are out there, what they've got to offer.

"Some girls are really up for it, some you've got no chance with.

DAVID BOWIE'S STAND-UP COMIC DREAM

DON'T laugh... pop megastar David Bowie once dreamed of pursuing a career as a stand-up COMEDIAN.

The late, great rock star reportedly planned a career in comedy back in the 1990s and harboured hopes of getting up on stage to tell jokes, rather than belt out his famous hits.

Brixton-born Bowie's former PR man, Dylan Jones, penned a book about the singer and revealed an insight into his other hobbies away from his music.

Talking about Bowie, he claimed he was planning to tour US comedy clubs and said: "He was going to go out under another name, he was that into it."

And he added: "Tommy Cooper was one of his favourites."

Despite never making it onto the comedy circuit, Bowie satisfied his itch for his alternative career with a number of cameos.

Drunk sausage thief got own sausage out

A THIEVING fisherman drunkenly exposed himself in front of supermarket staff because of a language mix-up, a court heard.

Irmantas Brazaitis, of Newry, Northern Ireland, dropped his trousers and removed his underwear after Tesco workers detained him for stealing sausage meat.

But the 34-year-old Lithuanian told cops that after staff ordered him to remove his trousers, he had taken off his underwear because the word "trousers" means "pants" in Lithuanian.

Brazaitis, who was recorded on CCTV stealing £2 of sausage meat, admitted indecent behaviour and theft.

Brazaitis, who said his crime was as a result of having been drinking, was fined £365 by Newry magistrates.

**Music star
Ferry's ex
dead at 58**

LUCY Birley – the former wife of singer-songwriter Bryan Ferry – has died aged 58.

A statement on behalf of her husband Robin Birley and her children said: "On Monday Lucy Birley (nee Helmore) passed away whilst on holiday in Ireland, surrounded by her beloved dogs, Daisy, Peg and Daphne."

No further comment will be given, a family spokesman said.

Birley, whose four sons are from her relationship with Roxy Music founder Ferry (above), 72, married him in 1982 and they divorced in 2003.

She was known as a model and society heiress in her younger days, and later dabbled in photography.

She retreated from public life following the breakdown of her marriage to Ferry and for other personal reasons, including the furore around their son Otis's storming of the Commons chambers to protest against the fox-hunting ban.

Olga Budunova**

THE TOYBOY CANNIBAL VAMPIRE

**He chopped up lover, then ate

**PLANNED:

A MAN "turned into a cannibal and vampire" after reading about ritual murders and serial killers online.

Olga Budunova, 45, was brutally killed by her toyboy lover Dmitry Luchin, 21, who smashed a wine bottle over her head 25 TIMES before dismembering her body with a meat cleaver, a court in Russia heard.

He then "roasted" her brain, ate it while "drinking her blood", and tore out her insides.

The former Russian army conscript had carefully planned the "ritualistic

cannibalistic murder" after becoming obsessed with reading about serial killers on the web, claimed trial prosecutors.

Luchin, who admitted getting sexual pleasure from the attack, told police he carried out the killing to get inspiration to write poetry.

The alleged murder happened when he went to Budunova's flat in Valdai for "romantic drinks" to mark International Women's Day.

After killing her, he used blood

from her cracked skull to daub a sign of the devil on a door, said Alexandra Dedova, 21, a witness to the crime scene.

"He wanted to summon the devil," she said. "He waited for five minutes but the devil did not appear.

Roasted

"Next he took the meat cleaver and smashed her skull to the brain.

"He cut pieces out of her brain. He roasted and ate them. He liked it.

"He ate another piece, he said. Then poured a glass of her blood and drank."

Luchin told police: "I liked the taste

of her brain. I decided to give it another try. Then I drained some of her blood into a glass."

Prosecutor Olga Bondarenko said Luchin "copied the actions of a ritual murder carried out by a serial killer".

Dedova, who witnessed Luchin's testimony, said: "Next he cut out her stomach and chopped off her ears.

"One he put into her mouth, the other into the cat's bowl."

Luchin subscribed to a website called 'World of maniacs and serial killers', say prosecutors.

He faces a life sentence if convicted of murder and the desecration of the dead.

The 30-year-old tattooed babe risked a serious wardrobe malfunction in the extremely high cut swimsuit, which barely covered her 30G norts.

Jemma posed up a storm as she strutted around the pool while on holiday in Ibiza.

Tamara's struggles to get sex

SUPER-RICH heiress Tamara Ecclestone says she's struggling to get enough sex after having a baby.

The daughter of former Formula One boss Bernie reckons she is shagging her husband Jay Rutland much less now she's sprogged.

But Tamara (*above*), 34, she says she is determined to make time for some bedroom action.

She said: "My sex life has definitely been affected. We've only been married for five years and sex was never had problem before – but we have to make the effort now that we're parents.

"We have to find other times and other places to do it."

Tamara offered advice for couples on how to keep a happy marriage.

She said: "Humour is the key to a great marriage. Jay and I are always messing around and making each other laugh."

"Trust is also a huge factor – I trust him so much and I never feel insecure."

Jack's back for new Bad Move

ITV comedy *Bad Move*, co-written by and starring Jack Dee (*above*), will return for a second series and a Christmas special later this year.

The show follows married couple Steve (Dee) and Nicky (Kerry Godliman) and their struggles after escaping from city life to the Yorkshire countryside.

Six new episodes of the programme will air in the autumn with a special to follow over Christmas.

The storylines teased ahead of its return suggest that Steve and Nicky's bid to adjust to rural life will continue to be unsuccessful.

girls' hot stay cool!

AS COLLEGES and universities across the country closed down for the summer, thousands of horny students were released for their holidays.

And one group of girls couldn't wait to unleash themselves on Britain's coastal resorts.

Thanks to the steamy temperatures and constant sunshine, students have been opting to stay at home rather than fork out for a break abroad.

One girl bent over on all fours in the cooling sea, as her pal posed behind her in a kinky doggy-style position.

All were more than happy to get to grips with each other - and one onlooker couldn't believe his eyes when he saw them.

Joiner Rob, 24, from Newquay said: "We get our fair share of babes down here but these four are something else."

"I've got a right rock-on in me pants and I can only imagine what they do behind closed doors after watching them do this."

Teacher's 'Snapchat sex with teen boy'

A TEACHER shared hundreds of explicit photos and Snapchat messages with two students before having sex with one of them, it has been claimed.

Shannon Moser, 37, taught science at Liberty Middle School in West Fargo, North Dakota, before she resigned earlier this month.

Police received an anonymous tip in June that Moser was having sex with a 16-year-old male student.

Other anonymous complaints alleged that she had also shared nude Snapchat photos with the student.

A second victim came forward alleging Moser had shared nude photos with him on Snapchat for nearly a year.

Video

The 15-year-old boy claimed the teacher even sent him a video of herself and her husband having sex.

Other complaints filed against Moser included one that claimed she allowed students to call her "Kim Kardashian".

One of her colleagues cited an incident that occurred while Moser was playing basketball

with an eighth grade boy.

The co-worker said "the interactions appeared to be uncomfortable because of the physical nature of the basketball game".

Married mum-of-four Moser, from West Fargo, has denied the allegations.

Police found links for porn sites that included younger boys engaging in sex with older women on her mobile's web browsing history.

Moser has been charged with two counts of using a minor in a sexual performance and one count of sexual assault.

'Ghost' freaks Jenny out

HOLLYWOOD star Jenny McCarthy had a supernatural encounter this week – but it turned out to be nothing of the sort.

After checking herself out in the mirror in a room she presumed was unoccupied, the former *Playboy* model heard some music briefly play. The science sceptic, 45, freaked out, calling for her husband to let him know what was going on as she posted her fears all over her social media.

But followers recognised the otherworldly tones as the jingle Google Home plays when it starts up.

Jenny's voice assistant had merely rebooted itself, and, never having witnessed it before, the beauty's immediate reaction was to assume that it was ghosts in the house – as you do.

The saucy 24-year-old sexpot also says she's obsessed with shagging and strips completely starkers whenever she feels horny.

Claudia, from Twickenham, London, boasts an impressive pair of 32DD norts, which her lucky neighbours have caught sight of more than once!

She said: "I'm not one for 'dress up' on dates, actually. I'm more of an 'arrive at your door naked' kind of girl!"

Horny

"My neighbours think I'm sex-mad, because I'm always naked – and they're right."

"I find the best way to make myself feel better is to strip down."

"I get so horny waiting for my man to finish work, so I like to get things started on my own."

"Sometimes I lose patience and have to sort myself out."

"But by the time my fella gets in, I'm ready to go again."

Kristen bares all more than anyone else

ACTRESS Kristen Bell reckons she's NAKED more often than anyone else knows.

Kristen (*above*), 38, who voiced the character of Anna in Disney's hit movie *Frozen*, says she goes starkers quite a lot.

She said: "I'm naked way more than anyone else I know."

Despite her kid-friendly on-screen roles, her views on relationships are not as traditional as Disney films tend to suggest.

Blonde Kristen reckons monogamy is 'difficult' and says her marriage to fellow actor Dax Shepard, 43, is 'tough'.

She added: "I see the benefits of a society with monogamous relationships, but it's difficult because you're still attracted to other people."

"I've told Dax that if, one day, Jennifer Lopez comes up to him and says 'I need a weekend away with you', you have to go now."

"I love this man and I would not want him to be on his deathbed thinking 'I could have had sex with Jennifer Lopez'."

Bears dig up corpses to eat

WILD brown bears have ransacked a cemetery in Russia and EATEN at least 20 CORPSES.

Two bears were shot dead after the predators gorged on the recently buried including the remains of an infant.

A video shows the carnage some five miles from Yelizovo in the remote Kamchatka region where human remains were exposed as the wild beasts plundered the site.

It was filmed by bereaved father Pavel Korotaev, who was visiting the graves of his children.

He said: "The bears even broke the metal fences."

Officials blamed local funeral agencies for their "poor work" and slammed them for not digging the graves deep enough.

One, Dmitry Shchipitsyn, said: "The reason that the bears unearthed the graves was that funeral agencies had done their work in a poor way."

The blonde beauty (above) became a huge star after revealing her 32E boobs which led to jobs as a TV presenter.

Now mother-of-three Melinda, 47, says she's clueless as to what it was about her naked body that people found so hot.

She said: "When I became famous as a model I'd see pictures and think I looked terrible and wonder what the fuss was about."

"Hand on heart, I thought people were laughing at me and that it was all a joke."

"I didn't see myself the way other people did."

But now she's aged a bit the hot babe says she's more comfortable with her sexiness.

She said: "Age helps. When you get to your forties you don't give a monkey's."

BLONDE KILLED HER MUM & GRAN FOR CASH

A WOMAN has been charged with MURDER after BEATING her mother and grandmother to DEATH.

Heather Barbera, 42, is accused of beating the two family relatives to death with a nightstick before going on the run for four days.

After killing her 67-year-old mother Michelle Gordon and her 87-year-old grandmother Elaine Rosen, Barbera stole their cash and credit cards and headed to New York City.

Prosecutors say the two pensioners were found dead with multiple blunt impact injuries at the Vassar Square Condominiums in Ventnor, New Jersey, where they lived.

Police were able to track down Barbera because they said she used the victims' stolen credit cards to make a number of purchases in New York.

She was caught at the New York Port Authority Bus Terminal in

Manhattan and reportedly confessed to the killings.

Barbera is the mother of a 10-year-old son and a 14-year-old daughter, but she now faces life in prison following her murder charge.

Her uncle, Richard Rosen, told a local news outlet that he had warned his mother and sister not to allow his niece to stay in their apartment.

Blood

He was the one who entered his mother's home at 10.25am on July 8 and found the two women lying dead on the floor in a pool of blood.

He said his niece has long been struggling with emotional problems and he also suspected that the mother-of-two is addicted to prescription pills.

A waitress at a Ventnor diner frequented by the two victims and their alleged murderer has told how

the women would often argue with one another at the table.

One of Barbera's two Facebook pages, however, tells a different story.

In 2016, she shared a childhood photo of herself sitting in her

mother's lap and captioned it 'My mother, my backbone'.

Barbera has been arrested on charges of first-degree murder, third-degree possession of a weapon for an unlawful purpose and first-degree robbery.

Beach sex larks too 'scary' for rare lark

AN application for a nudist beach has been blocked because bathers' rampant outdoor sex ROMPS pose a threat to a rare bird.

Attempts to gain designated naturist status for a quiet spot near Westende, Belgium, hit a snag after objections were raised that "subsidiary activities" in the dunes would scare off the treasured crested lark.

The Flemish Agency for Nature and Woodland informed the region's environment minister, Joke Schauvliege, that the lark would be alarmed by the "activity" and could flee.

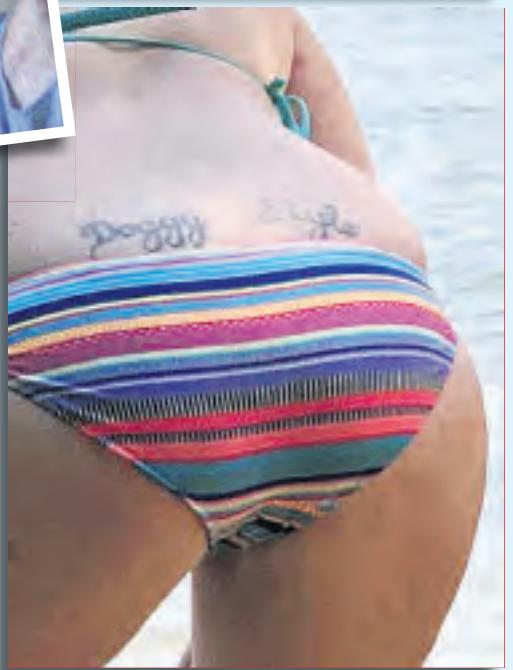

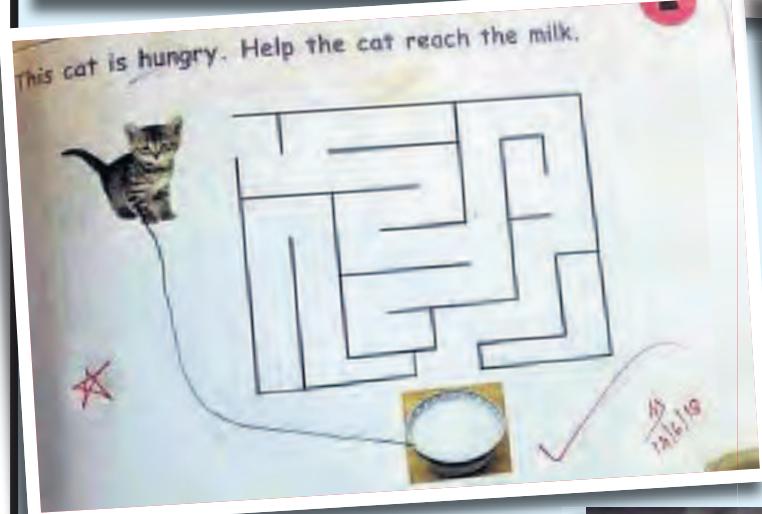

A suggestion that a fence could be erected around the dunes where the birds breed was met with scepticism.

Local mayor Steve Vandenberghe scoffed: "As if a man without clothes cannot get over barbed wire."

Cameron says no to raising of the Titanic

THE Hollywood director behind Oscar-winning movie *Titanic* said he opposes cutting off and resurfacing sections of the world famous ship.

James Cameron, a film-maker and deep sea explorer, said it would cost billions of pounds to raise the wreck itself.

James (above), 63, who first visited the Titanic wreck site in 1995 and has since made 33 dives, also believes an international agreement between the U.S. and the UK would help preserve the site.

He said: "The feasibility of raising the wreck itself is pretty much zero unless one were to throw enough money at the problem to start a colony on Mars. We're talking billions of dollars. It's a very daunting task working two miles under the surface of the ocean."

"What is feasible is cutting big chunks off the wreck, like taking the iconic bow section."

"They could cut that off and bring a big chunk to the surface, but it would leave a disfigured hulk."

Probe as girl, 2, is shot by boy, 4

AN investigation is still ongoing after a girl aged two was SHOT DEAD by her FOUR-year-old cousin after he was playing around with a loaded handgun.

Their grandfather, Cesar Lopez, 53, was arrested and held on suspicion of child endangerment and being a felon in possession of a firearm.

The boy is thought to have found the weapon and opened fire on the toddler, although there is no suggestion that it was anything other than an accident.

Adults were present in the property at the time of the incident and the mother of the toddler was seen sobbing, while the four-year-old was also visibly distraught.

After several interviews, investigators said they believed that Mr Lopez had left the gun in a place accessible to children at the home in eastern Los Angeles.

Age is no barrier to stonking bonking!

Maria McCrae says...

OLDER men are always better in bed. Okay, I've never bonked a 60-year-old fella, but maybe after reading this it could be worth a try – sounds like they definitely know what to do."

Mary Denny says...

"GOOD for them for shagging still, I know I'll still be horny and need a good seeing-to by then!"

Kelly Gilhooly says...

I ALWAYS thought older people didn't have sex, this is amazing! I love the fact that all these oldies are getting jiggy - it makes me more hopeful for when I'm older!

CELEBRITIES say their SEX LIVES are better than ever now they're older – and scientists reckon they're right.

The myth that your sex life goes down the pan as you get older has been busted by the National Poll on Healthy Ageing.

Results from the study, overseen by the University of Michigan Institute for Healthcare Policy and Innovation, shows that older people are sexually very active.

More than 1,000 pensioners were quizzed about their sex lives and how often they're bonking between the sheets.

A whopping 40 per cent of 65 to 80-year-olds are getting frisky on a regular basis, which is a lot higher than most people think.

Almost three-quarters of all those asked also had a romantic partner they regularly shared intimate moments with – and another 54% of them described themselves as sexually active.

Nearly two-thirds of those polled said they are still interested in sex and over half of them said sex is important to their quality of life.

Dr Alison Bryant, senior vice president of research, said: "This survey just confirms that the need for and interest in sexual intimacy doesn't stop at a certain age."

Romps

As well as being sexually active, elderly folk were also very satisfied with their sex lives, with 73% of them saying they were more than happy with their romps.

Around 84% of men and 69% of women agreed that a healthy, active sex life was important to them in their romantic relationships.

Despite Viagra being a common myth to help older folk 'get it up' and get at it, the study also busted that myth.

Only 18% of men and 3% of women had taken medication/supplements to improve sexual function in the previous two years.

Dr Bryant added that if older people feel they're unable to enjoy an active sex life, he urged health care providers to be more open about the topic.

He said: "Health care providers should routinely be asking all of their older patients about their sexual health and not assume that bringing up the issue will offend or embarrass them."

We asked three *Sport* stunnas what they thought of the results...

Top tricks to bring on the 'Big O'

LESS than HALF of all married women are having ORGASMS every time they bonk their husbands.

If you're in a long-term relationship, you probably think you have a pretty good idea of what makes your partner come.

But if you're under the impression that your wife is having an orgasm every time you have sex, you could be badly mistaken.

According to a recent study from Brigham Young University, just 49 per cent of married women said they consistently experience orgasm during sex.

However, it would seem married men are a lot easier to please, with a whopping 87% of them experiencing regular orgasms during their shagging sessions.

The study looked at data from 1,683 heterosexual newlywed couples and both the men and women were quizzed

By BECCA STUBBS

becca@sundaysport.co.uk

on their orgasms and their sexual satisfaction.

Researchers found that 43% of blokes 'misperceived how often their wives experienced orgasm' and a quarter of fellas thought their wives orgasmed much more than they did.

Based on the findings, it looks like the so-called 'orgasm gap' – the proven disparity between the frequency of orgasms had by straight women and men – is still alive and well.

Tricks

Although making a woman reach satisfaction can have effects on both your relationship and can even boost a bloke's self-esteem.

Only a quarter of women regularly orgasm from vaginal intercourse, so married men should be encouraged to experiment with other methods.

Sport stunna Sabrina Murphy has some top tricks to get your wife orgasming every single time you bonk.

She said: "At the beginning of the relationship, men tend to do everything they can to impress a woman between the sheets.

"They'll spend hours down there with their tongues working their magic but, as soon as you're committed to them, that fun all dries up.

"For most women, clitoral stimulation is the key to orgasming, so husbands who are struggling to hit the spot with their wives could go back to basics.

"Try wooing her between the sheets again, spend a while down there and make her climax before you even think about getting your end away.

"It'll blow your mind and hers, and your sex life is guaranteed to go through the roof.

"Plus, she'll want sex more often – so what's not to love?"

'Suck, fk
and repeat –
I love driving
a man crazy'**

By BECCA STUBBS
becca@sundaysport.co.uk

CUTIE Claudia Mae has revealed how she blows a fellas mind in the bedroom – using the 'suck and f**k and repeat' technique.

The busty beauty explained that she starts off with a blowjob, then climbs on him for some girl-on-top action – over and over until he explodes.

The 25-year-old, who boasts lovely 30EE palm-stretchers, reckons she's the best sex that every bloke she's had has experienced.

The Liverpool lass told the Sport: "First I start off slowly sucking his cock, paying full attention with my tongue to his head as well as his balls.

Bouncing

"Then I increase my speed, gradually, and make sure I get some deep throat action in. I'm lucky in that I don't really have a gag reflex.

"Once I hear him moaning, I switch it up by climbing on top of him and riding him.

"My big boobs are bouncing like mad in his face.

"After a few minutes I'll go back to sucking him and then back to riding him, sometimes reverse cowgirl style so he has a nice view of my peachy bum bouncing up and down.

"I may throw in a tit wank too. The variety of different sensations drives him crazy.

"It isn't long before he is exploding either inside me, in my mouth, or all over my boobs."

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Watching mates pound missus got my sex life back on track

Dear Sam,

I'VE been married for 14 years but six months ago I went completely off shagging.

The missus is highly sexed and it hit her very hard when I just couldn't get hard myself.

We tried all sorts to get me aroused – blue movies and porno books – but nothing did the trick.

Then I hit on the idea of her shagging one of my pals from down the boozey.

I asked her if she fancied it and, after much thought, she finally agreed as long as he was a handsome hunk.

Licking

I arranged for my mate to come round and I stayed downstairs watching TV while they went to the bedroom.

I could hear them having dirty fun – my mate has an eight-inch – and it was great to listen to the wife enjoying orgasm after orgasm again.

I was in the pub a few nights later when the guy who'd screwed the wife mentioned our arrangement and two of my other mates expressed an interest.

My wife was all for it, so the following Friday night, after we'd had a skinful, the four of us went back to my house.

I took them upstairs and they stripped off and piled into the bed with her.

This time I decided to stick around

and watch. There seemed to be erect cocks EVERYWHERE!

The missus sucked all three of them off in turn and they all took turns going down on her, licking and sucking her hot minge and rimming her rusty bullet-hole.

Then they each f***ked her in every hole and she had one shuddering climax after another.

At one point she was sucking on one dick while another pal was in her chuff and the third was prodding away round the back at her dirt-box.

It was at this point that I felt a stirring in my pants. I was overjoyed, so I stripped off and joined them.

My missus was delighted to see I was back in the game and she passionately urged me on to give her the best shag we've had for ages.

First, I lifted her legs high into the air and pounded into her as my pals cheered

me on and worked away on her erect nipples at the same time.

Then I turned her onto her knees and rammed my rock-hard cock into her doggy-style as she screamed in delight.

Finally, I gave her bum a good pounding until I shot my load.

Since then I've managed to get loads of stiffness – but only after watching my mates giving the missus a shafting.

It's like I need my mates to give my cock a kick-start and after that I'm raring to go solo!

Incidentally, the wife thinks our arrangement is terrific. Are we being a bit odd?

GF, Leicester

Sam says...

AS long as everyone is happy, I don't see a problem.

Dear Sam,

I WAS best man at my mate's wedding and last week I bumped into his missus in the pub on her own and we ended up going back to my place.

We chatted about various things, but I could tell she was up for some sexy fun so I started to turn the chat towards more suggestive subjects.

It worked like a dream and it wasn't long before she had my cock in her mouth.

She sucked at it like a dog who hadn't seen a bone in decades and I returned the favour by lapping lovingly at her neatly-trimmed fanny. She loved that!

By that stage she was gagging for a good shafting, so I bent her over and knobbed her doggy-style on the couch.

That wasn't enough for this feisty minx, however. She sat me down and rode me reverse cowgirl-style while screaming out in ecstasy.

Then she demanded I spill my seed all over her tits and in her mouth. She, of course, rubbed the sticky mess into her skin.

She now wants to finish with my mate and see me, but I'm happy with my girlfriend.

What should I do?
CP, Cornwall

Sam says...

SOME mate you are. Leave this girl to your pal.

Divorcee loves being banged in the woods

Dear Sam,

I'm a 44-year-old fella who is still very athletic and fit in the bedroom and, luckily, I consider myself to be pretty well-endowed.

I'm going out with a lovely woman, a 42-year-old divorcee with huge tits and a curvy arse.

She's excellent in the sack, great at blowjobs and willing to bang outdoors.

We often meet at weekends and take long walks in the woods, which always end up with me giving her one up against a tree.

Her daughter is 21 and she clearly takes after her mum. She's a gorgeous blonde with an equally big pair of boobs and she is constantly flirting with me when I'm round at their house.

Shaved

I get the feeling she's seen me and her mum on the job at some point and last week she sent me a cheeky white G-string, which she had obviously already worn, along with a note begging me to use my eight-inch cock in her shaved pussy.

She reckons she'd give me a tit-wank, blowjob and even accommodate me up her bum if I respond.

She is a very good-looking girl and I'd love to get my shaft up her.

But I'm having a great time with her mum. What do you think I should do?

DV, Kent

Sam says...

STEER well clear – you'd be asking for trouble if you got entangled with this scheming young woman.

CINDY DOLLAR

RETIRED plasterer Steven Urwell penned a letter asking for a photo of exotic beauty Cindy Dollar and her eye-popping curves.

We searched Sport Towers for the sexiest picture we could find of 33-year-old Cindy, from Enfield, north London, and we reckon 72-year-old Steven, from Darwen, Lancashire, won't be disappointed with this cracker.

Our researcher said: "Cor blimey, not only is she completely naked but Cindy's sensational 34B boobies are out and she's looking all innocent and girlie with her hair like that."

"I think Steven will be sorted for a good few nights with this photo!"

DOMINNO

CAFÉ worker Jonas Sanchez has his eyes firmly on stunning sexpot Dominno.

The 32-year-old waiter serves customers at a popular café in Tenby, Wales, and hopes one day 30-year-old Dominno might pop in for a cuppa.

He said: "I live and work in Tenby, it's a gorgeous place – but it's not as beautiful as Dominno, I mean look at her!"

"We get a whole load of different customers, but the day Dominno walks in is the day I might faint with delight – especially knowing she's got those whopping 34F funbags!"

ARIA GIOVANNI

ENGINEER Tony Cooper fancies the pants off curvy glamour girl Aria Giovanni and begged us for a saucy snap of her.

Tony, 56, keeps photos of his favourite topless models in his garage office at work in Hartlepool and says 37-year-old Aria is his ideal woman.

He said: "I get cars in all the time to do odd bits of stuff on, but I'd love to tinker with Aria's 34D engines!

"She's got a cracking pair, but I know she's from bloody Tooting in South London so there's no chance she'll come all the way up here for a quick fix!"

BIG CHANCE:
James Wade

ARROW IN ON WADE 11-8 WIN

The BetVictor World Matchplay continues this evening from the Winter Gardens Blackpool with the last four last 16 ties. At the time of writing Gary Anderson was the 11/4 market leader with world champion Rob Cross 7/2, Peter Wright 9/2, Michael Smith 8s and James Wade and Adrian Lewis 10s.

Wade opens against Simon Whitlock and Wade is 4/7 to make it through to the quarter-final with the Aussie 11/8. Wade improved as the game went on against James Wattimena on Monday whilst Whitlock was too good for a disappointing Rob North who is much better than he showed on his Blackpool debut.

Wade averaged a couple of points more in round one (89 to 87) than the Wizard and that is how I see the game finishing. Wade to win 11-8 is 7/1 at BetVictor and that is the tip.

The machine is likely to play Peter Wright in the quarter-final and Wade will be well aware that, with MVG back at home in Holland, this is his opportunity to get back into the big-time of world darts.

Finals

Cross plays Darren Webster and the world champion had the highest average in round one (98.58). Cross hit almost 50% of his doubles and, if he improves his scoring, he is likely to go all the way.

Cross has won the only previous game between the pair and is 2/9 to make the last eight with Webster 10/3. Cross is 5/6 at BetVictor to win giving the Demolition Man a 3.5-leg start and I can't see past Voltage who has reached back-to-back finals in the States and Shanghai in recent weeks.

★ ABERDEEN are unbeaten in their last eight Europa League qualifiers ahead of the visit of Burnley to Pittodrie tomorrow in what will be the first competitive game between the sides. The Dons have won one of 12 European games against English teams although that was their last - a 3-1 win over Ipswich in 1981.

Aberdeen are 31/10 with BetVictor to take a lead to Turf Moor next week with the Clarets 17/20 and the draw at 13/5. I don't think Aberdeen will lose and the recommendation is the Dons on the double chance (win or draw) at 9/10.

Celtic entertain Rosenborg in the Champions League tonight and are 4/11 to take a lead to Norway next week and 1/4 to qualify for the play-off draw which will decide the last six places in the group stage of the competition.

Celtic -1 are 23/20 with BetVictor and I expect them to take a good lead back to Trondheim next week.

The emergence of the RAB (request-a-bet) has been an eye-opener in the last couple of years and we have had a number of #PricelUp requests including:

- Arsenal to get 70 or more points: 11/10
- Every PL side to score 30 or more goals: 6/4
- City & Liverpool to score 80 or more goals: 6/4
- City to win PL, Liverpool top 4 & Cardiff down: 11/4
- Spurs top 3 finish - Arsenal 5th or worse: 7/2
- Chelsea 5th or worse, Fulham & Watford stay up: 7/2

ANFIELD GAFFER SPEAKS OUT

Klopp: I must cash in with a trophy

REDS CHIEF ADMITS PRESSURE NOW ON

JURGEN Klopp admits he must finally bring some silverware to Anfield.

The German has been beaten in three finals since taking over from Brendan Rodgers — including an agonising defeat in the Champions League against Real Madrid.

Then he could legitimately say the Anfield board hadn't exactly let him splash the cash.

And the German himself always said that he didn't want to buy titles.

Well he's changed his tune now and has splashed out a whopping £175m on new signings this summer — and there could be more to come

By JOHN ANTHONY

if the Nabil Fekir deal can be revived with Lyon.

Klopp has just broken the world record for a goalkeeper with his £65m deal for Alisson from Roma.

That's on top of hefty fees for Fabinho and Naby Keita along with Xherdan Shaqiri.

It's been six long years since Liverpool won a trophy — and that was only the League Cup.

Klopp knows that the cash he's coughed up this summer means he has to start delivering more than final defeats.

He said: "We expect more from ourselves."

"We will go again for the

championship and each kind of cup but that does not mean I can sit here and say we will get it.

"We have the highest ambitions, 100 per cent. It is the next step."

"We need to be ready for that. I cannot give guarantees here but I understand if people think that. I know about the expectations and that is completely normal."

"First of all we have to play the football that gives us an opportunity to win something."

"I am confident we can build on last season. It's not that we lost things completely but you have to work on it to get it back."

"I am not in doubt about our

PRESSURE
IS ON: Klopp

basis or that we will reach it again."

"I want to have the best start ever but we all know that something can happen and then everything is questioned in a second."

"I am in for the start of a third season and in each season there was one period when people questioned me or our progress. In the end it was OK. I am prepared for these moments."

"It is not just that we have to be more consistent, we have to create circumstances where we can be more consistent."

"Nobody is consistent with 11 players. What we are working on is the depth of the squad because you need it."

TOP TIP: Gosden

War can write his Legend at Newbury

WINNING POST WITH BEN MORGAN

I'LL take a pass on Wednesday's action and look at Thursday and although there may not be a great deal of value in my selections, there looks to be plenty of quality.

LEGENDS OF WAR (6.10)
Newbury NAP) rates the best bet as he must be better than he showed at Newmarket. John Gosden's speedy two year old looked high class on debut when he blitzed a decent field in a good time at Yarmouth.

After bypassing Ascot he was sent to the July Stakes and proved bitterly disappointing but I can't help but feel that wasn't his true running. He shows an electric turn of foot at home and we did not see that so I am inclined to forgive and forget.

Charlie Appleby would have expected more from expensive purchase GHOSTWATCH last time out at Haydock.

The firm ground may well have been a reason for an underwhelming performance but I think the winner was given an enterprising ride that day and escaped the field.

He has the look of a slow burner and he could even be a better horse next year with another winter on his back. Back in calmer waters tomorrow and with a much smaller field to deal with I expect him to resume his improvement and win quite comfortably.

Doncaster hosts a good evening card and the first race can go the way of EASTERN RACER for the Brian Ellison team.

This is a competitive heat with last year's winner Muatadel looking to regain his crown.

However, the selection looks incredibly well handicapped on his old form and hinted at a return to form last time out when a close third. If building on that he is sure to go close.

The 8.35 should be an intriguing race and if WIRRING GIRL can put a disappointing run behind her last time then she should be a player. Prior to that she had looked a progressive sort who was running well behind some good horses.

A fourth to Tanasqat at Chester reads very well and that particular race is working out well. A repeat of that performance off a lower mark should see her being competitive.

UNITED BOSS POG PLEA

Play like it's World Cup booms Jose

MANCHESTER UNITED manager Jose Mourinho is challenging Paul Pogba to repeat his World Cup form in a Reds shirt.

The Frenchman was one of the players of the tournament in Russia as Les Bleus won the biggest prize on the planet.

He looked like the complete midfielder for Didier Deschamps' men — getting forward to spark attacks while not neglecting his defensive duties either.

The 25-year-old put the cherry on a superb tournament by scoring in the final against Croatia, earning rave reviews.

Indeed, plenty of pundits pointed out that Mourinho was not able to get the same sort of performances out of Pogba that the much maligned Deschamps did.

He has hit and miss in the Premier League with the United gaffer seeming to stifle him with a deeper position and less licence to roam for the Reds.

That even led to talk of a falling out with the Portugeezer and a possible move back to Juventus or Paris St Germain.

That now looks highly unlikely but the £89million man still has a point to prove at Old Trafford.

Mourinho is now looking to Pogba to bring his international

BY ANDY MILLOM

form to the bread and butter back in England.

He said: "I don't think it's about us getting the best out of him, it's about him giving the best he has to give."

"I think the World Cup is the perfect habitat for a player like him to give their best."

"Why? Because it's closed for a month, where he can only think about football."

"Where he's with his team on the training camp, completely isolated from the external world, where they focus just on football, where the dimensions of the game can only motivate."

Giants

"During a season, you can have a big match then a smaller match, then one even smaller, then you can lose your focus, you can lose your concentration, then comes a big match again."

Mourinho has his heart set on beefing up his midfield and has made Real Madrid's Toni Kroos his No1 target.

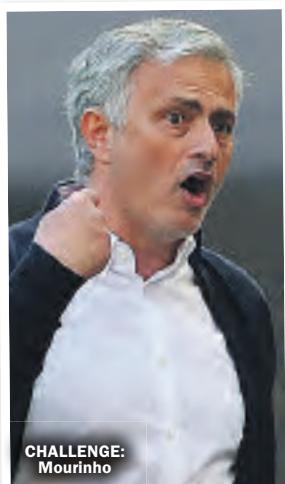

With the transfer window closing in less than three weeks, he'll have to be quick and put in a massive offer for the German.

The 28-year-old has been a Champions League star in his four years with the Spanish giants, who are reluctant to sell.

United had been trying to get their hands on Gareth Bale but the Welshman has been persuaded to stay at the Bernabeu following the sale of Cristiano Ronaldo to Juventus.

Mourinho has already signed Brazilian middle man Fred but will offer around £80m for Kroos in the next few days.

That's not likely to be enough and the United boss would have to make him the club's record signing to get the deal done.

MORATA KEY TO HIGUAIN BID

BY PAUL THOMAS

AC MILAN could wreck Chelsea's move for striker Gonzalo Higuain.

New manager Maurizio Sarri has made the Juventus striker his prime summer transfer target.

It looked as though the move would be simple enough with Higuain having close ties to his fellow Italian from their time together at Napoli.

A deal of around £55m was agreed and on the verge of going through.

But AC Milan also like

with Juventus that would see Higuain going the other way.

Sarri likes more of a powerhouse striker and is not likely to want to keep the Spaniard at the Bridge.

He continues to look a shadow of the player he was and was even poor in a pre-season friendly against Aussie side Perth Glory earlier this week.

Morata had a successful spell in Serie A and would jump at the chance of heading to the San Siro. The

Blues would accept something close to the £58m they paid Real Madrid for him 12 months ago.

That would leave the way clear for Chelsea to complete their Higuain move.

The sticking point could be the 30-year-old's salary demands.

He wants around £150,000 a week and will have little sell-on value due to his age.

That's also giving the Chelsea board doubts about the big fee as they prefer to buy younger players.

£150M BARCA HAZ MOVE

Spanish giants fight over Chelsea ace

BARCELONA have entered the race for Chelsea superstar Eden Hazard.

It looked as though the Belgian would be heading to Real Madrid after deciding he'd had enough at Stamford Bridge.

The deal was expected to take a big step forward this week with the clubs on the verge of agreeing a fee of around £130m. But now

By JOHN ANTHONY

Barcelona have put their hat in the ring and that will send Hazard's price soaring.

The Catalans think they could do with more firepower with Ousmane Dembele not making the impact they hoped for when shelling out £100m for him from Borussia Dortmund last summer.

He has been hit by

injuries and managed just three league goals for Barca last term.

He could be sold to release funds for a deal that would stun their La Liga rivals.

Arsenal are known admirers and have yet to splash significant cash since new manager Unai Emery took over from Arsene Wenger last month.

Liverpool have also been linked and could yet make

their move with their deal for Lyon playmaker Nabil Fekir in trouble.

Barca are willing to go north of £150m for Hazard — but some reports from Spain suggest they are only involved to force Real Madrid to pay more for their prime target.

Their real target could be Willian with Chelsea turning down an initial £65m offer for the Brazil forward.
